# HIRE FACILITIES

At Whiteman Park we have 29 shelters for you to choose from to host your event in the park. Contact one of our friendly team to discuss which location will best suit your requirements.

## PICNIC SHELTERS

We have 24 hard-top picnic shelters located throughout the Village and Mussel Pool. Each shelter has a tin roof, power supply and three picnic benches which seat eight people each. Barbeques are conveniently located near each of these shelters also.

## SHADE SHELTERS

We also have four Shade Shelters located in the Village. These are smaller than the hard-top picnic shelters and suit groups of up to 30 people. The Shade Shelters have a shade-cloth roof, two picnic tables but no power supply. They are perfect for relaxed barbeque on a summer's day.

## THE PAVILION

The Pavilion is a bricked building that is located in the heart of the Village. A semi-closed in building with a great outdoor feel, it suits groups of up to 60 people. The southern side has roller-shutters that open onto the Village Mall which gives you a great view of the tram as it idles thru. The northern side has clear cafe blinds that open out onto the grassed area leading to the main playground and a double BBQ is located close-by.

## LARGE GROUP BOOKINGS

Whether you are looking to hold your wedding, corporate function, family fun day or Club wind-up, our bushland environment provides a unique setting in which to entertain your guests.
